Body font : Source Sans Pro
Personal Financial Planning

The Client, **Anelisa Bonga** had a brief that required a brand would be visual identity of her new private practice as a physiotherapist. That brand needed to carry her name and convey her new practice in an appealing manner.

Logo Mark Concept

A-Anelisa
First name of professional

B-Bonga
Last Name of professional

P-Physiotherapy
Type of medical practise

∞-Infinity Sign
Symbolises the regenerative practises of physiotherapy

Full Body Client/Athlete
The mark says "We will get you back to your best, active (rounded) & sharp (edges)"

Micro Enterprise HR brief requested a chic and minimal brand identity that communicates professionalism while reflecting the human element at the heart of small business HR solutions.

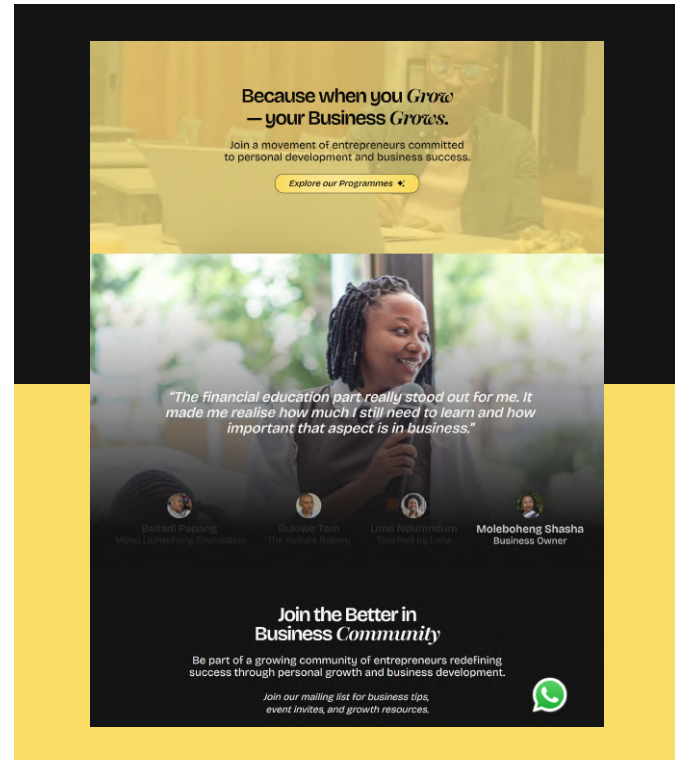

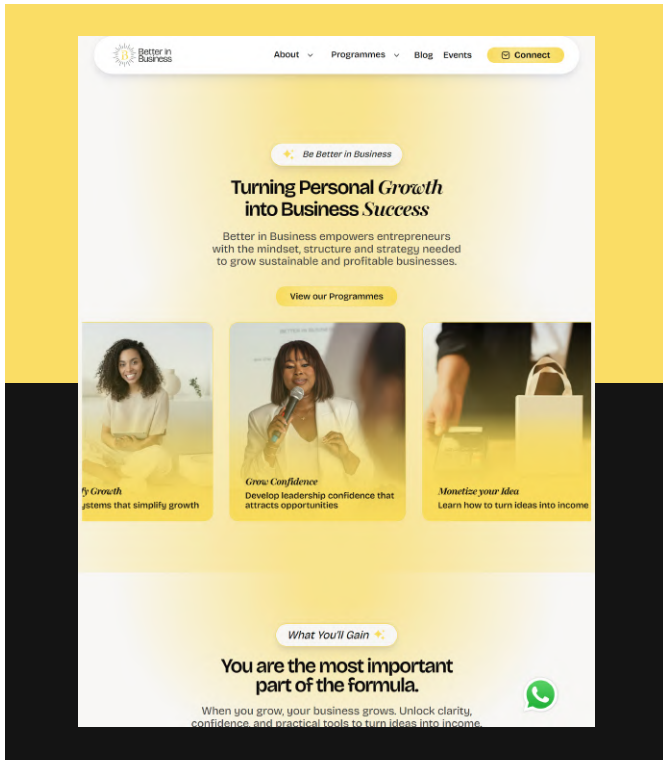

Website Design

 links to the websites

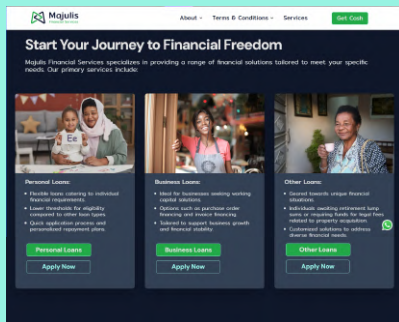

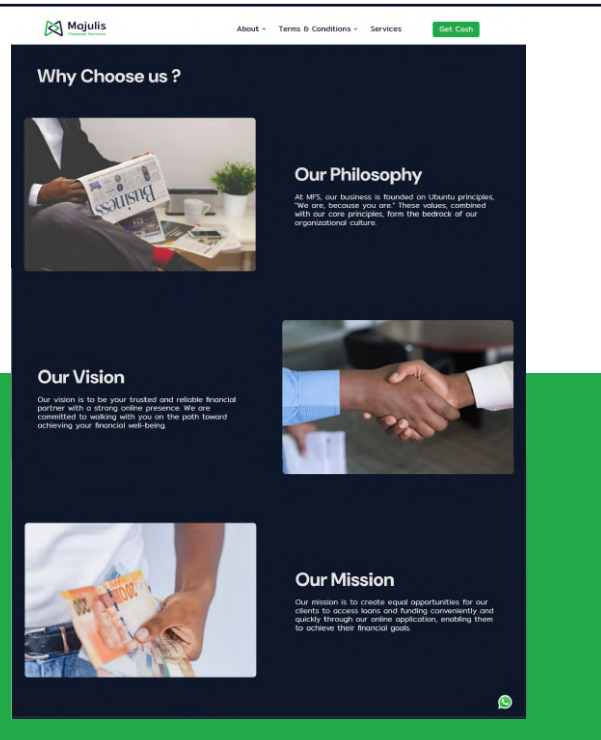

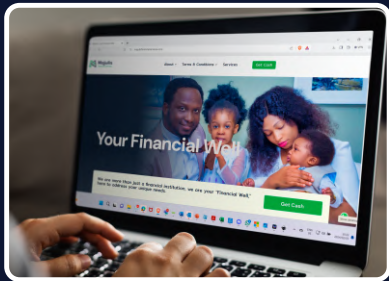

Better in Business, a personal development and business coaching platform requested that we develop a website to showcase their programmes and convert visitors into enrolled clients.

At Your Doormat Services, a steel fabrication and supply company requested that we develop a website to showcase their services and generate quote requests from industrial clients.

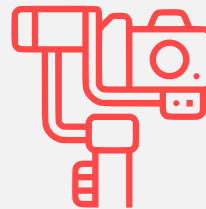

Majulis Financial Solutions, a micro finance company requested that we develop an online website with an intergrated credit application facility
